

# SPOTTERS

Australia's own Spotters Glare-Free Polarised sunglasses seamlessly combine the world's best quality, latest technology and performance in a comfortable and stylish sunglass package. Offering only the latest in style, Spotters are high performance sunglasses that are suited to every lifestyle and sporting application and designed to withstand the toughest conditions.

All Spotters lenses are polarised and expertly hand-fitted into every individual frame. Each lens offers 100% UVB and UVA protection, and is 100% optically correct and distortion free.

Spotters are committed to creating the finest quality performance sunglasses and are guaranteed against defects in workmanship and materials for a period of 12 months from date of purchase.

## ALPHA

Spotters' Alpha is infused with ASR - anti-slip regulator temples. Alpha is not only built tough but it also has its own traction control built into the arms with ASR. Alpha's semi rubberized arms are intended to cling to your face no matter what activity you are engaged in. Alpha's function is uncomplicated - grip, grip, and grip and is available in a gloss or matt black frame. The more you sweat the more they perform! Extreme harsh glare environments are taken care of with the versatility of 9 world class lenses being available in Alpha. Know your environment, pick your lens and enjoy engineered eye and wearer comfort. Don't let Alpha slip away!

## CRISTO

Unsurpassed protection combined with modern superior Spotters polarised lenses. An unconventional and unique styled frame with flowing lines and sleek outlook. Slides on for perfect all day comfort, fit and function. Available in gloss black or brilliant white, this model has a lens or colour combination to suit anyone.

## CRUIZ

Spotters' Cruiz offers maximum coverage with outstanding performance for any condition. Stepping up to the plate Spotters launch its mission specialist Cruiz. Armoured up and ready for comfort, Cruiz stands alone in the endless hostile battle against the destructive sun. Frame is available in gloss black or metallic pearl brown with the option of 9 world class lens choices.
